

GENERAL LABORER

About Us:

OMNI Resource Management, Inc. is a diversified service company with specialties in General Contracting, Industrial Maintenance, and Electronic Security. With offices in Braintree, MA and Pawtucket, RI, we service clients throughout the East Coast, including healthcare facilities, utility companies, energy generation companies, commercial real estate firms, and many more.

Our Industrial Services division serves a unique group of clients that own and operate industrial manufacturing and processing facilities. Our full-time and trusted employees are extensively trained in plant operations and safety. Our experienced team provides valuable labor and maintenance support to these facilities through services such as equipment operation, boiler maintenance and repair, specialty waste handling, and much more.

Job Skills / Requirements

Safety oriented laborers to assist the plant employees in the clean-up and housekeeping activities for all areas of the Plant.
