

FOREMAN

Full-time position
Omni Resource Management

About us:

OMNI Resource Management, Inc. is a diversified service company with specialties in General Contracting, Industrial Maintenance, and Electronic Security. With offices in Braintree, MA and Pawtucket, RI, we service clients throughout the East Coast, including healthcare facilities, utility companies, energy generation companies, commercial real estate firms, and many more.

Our Industrial Services division serves a unique group of clients that own and operate industrial manufacturing and processing facilities. Our full-time and trusted employees are extensively trained in plant operations and safety. Our experienced team provides valuable labor and maintenance support to these facilities through services such as equipment operation, boiler maintenance and repair, specialty waste handling, and much more.

About the role

Safety oriented foreman to assist the facility employees in the clean-up and housekeeping activities for all areas of the site. On a day-to-day basis, you will be expected to follow the established routine or the instructions given by the facility supervisor. As the group leader, you will direct the crew accordingly to complete the tasks in a safe and timely manner. You will perform the same physical tasks as the other crew members while providing leadership that results in a safe work habit. A safety conscious mindset will be required to complete the tasks assigned.
